NATIONWIDE REPTILE & AMPHIBIAN ADOPTION PROGRAM

Establishing the *Gold Standard* in
Pet Reptile and Amphibian Rescue

NATIONWIDE RESCUE & ADOPTION

We accept surrenders and adopt animals nationwide using our trusted partner, Redline Shipping.

VETERINARIAN HEALTH EVALUATION

All rescue pets receive a full health evaluation by University of Tennessee veterinarians.

PATHOGEN TESTING

All rescue pets are tested for key pathogens to verify no infection prior to adoption.

EXPERIENCE-BASED ADOPTIONS

Adopters are classified based on experience and matched with rescue pets.

PROPER HOUSING REQUIREMENTS

Minimum enclosure size and habitat requirements are verified.

EXPERT GUIDANCE

Guidance by HTI staff on rescue pet needs and daily care.

INVESTING IN THEIR FUTURE

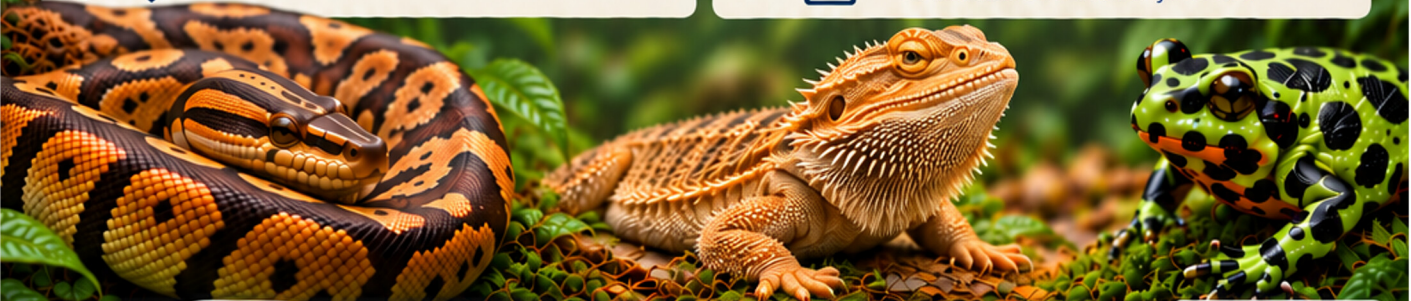

The HTI invests \$300-500 per rescue pet prior to adoption.

HOW TO ADOPT

- 1 Submit adoption form to HTI.
- 2 Once approved, peruse inventory on Husbandry.Pro site.
- 3 Submit adoption inquiry for specific pet.
- 4 Adopter experience and husbandry verified.
- 5 Health-certified rescue pet shipped overnight.
- 6 HTI provides expert guidance on care.

HOW TO SURRENDER

- 1 Submit surrender form.
- 2 Once approved, arrange shipment to HTI using Redline Shipping.
- 3 New arrivals are quarantined and tested for key pathogens.
- 4 New arrivals receive health exam from UT veterinarians.
- 5 Once health cleared, rescue pet listed as available on Husbandry.Pro site.
